Dear pool and spa customer:

Thank you for your patronage this past season, the credit card system was a great success and we request each customer to have a credit card on file. Take advantage of auto billing and convenience of not having to send out checks. We require a credit card on file but you may still pay with check or cash, after account 60 days arrears the credit card will be charged.

Please return the bottom portion of this form even if you already are on our auto-billing plan. The credit card authorization form must be filled out completely and signed. We will still accept checks as a form of payment. We truly feel the credit card payment system is easier on our customers and makes billing more efficient. If you have any questions or concerns about the billing system please feel free to call and ask for John Bennett.
